Zoos Are No Place for Animals

Reasons For	Reasons Against
Keeping animals in zoos denies them their basic right to freedom	Zoos provide a safe place for animals that are being hunted illegally
Zoos have negative effects on the animals' physical and emotional health	Zoos have breeding programs for animals on the verge of extinction
Animals should not be put on display for the enjoyment of humans	Zoos play an important role in educating the public about animals
Taking animals from their homes means less animals in the wild for breeding	A family trip to the zoo is an enjoyable way to spend time together
Some animals have a shorter lifespan when kept in captivity.	Seeing an animal in real life is more memorable than in a book or on TV
